And because... Learning a second language "involves an exploration of knowledge and skills resulting in an enrichment of the self at several levels, cognitive, cultural and interpersonal. This process is essential to better apprehend and live in the complexity of the modern world." CFSpokane

## Why us?

"Our curriculum teaches the most useful aspects of French grammar, vocabulary and culture in the francophone world in order to enable the students to efficiently converse, write and read on a wide variety of topics. We use technology and material used by French students in school, which provides a logical, clear and dynamic progression to our instruction." CFSpokane
