

Composition

Our translation services

English to French literary and technical translation services. We also offer proofreading, editing, quality assurance and language consulting. Our fields of experience range from literature to science including technology, marketing, law and the coffee industry.

Where to find us?

We are located next to historic Corbin park. Our classroom accommodates 6 to 8 students and is equipped to provide high quality and unique instruction. Please visit our website for details on our facility.

Française

Our school

French for Visiting International Students

This four level course will teach you a full year of level 1 or 2 French. With a side of optional local field trips!

French Clinic

This two level course focuses on a specific language skill. First course: French phonetics, the sounds of French.

French for Travelers

This intensive course will prepare you for the entire duration of your trip to France.

Complete beginners welcome!

Francophone Cultural Encounters

Come and participate to movie projections and cultural seminars.

Spokane

Who are we?

Bonjour! We are proud to introduce Composition Française in Spokane. With our French classes, cultural encounters and translation services we want to participate in the local efforts to promote quality French instruction to all ages and support interest for the cultures of the Francophone world. Our instructor and language specialist has taught in Spokane for several years and is a native speaker from the South of France.

Why French?

Why us?

Because...«more than 200 million people speak French on our 5 continents. The Francophone world is represented by 70 states and governments. French is the most frequently learnt foreign language after English and the 9th most widely spoken language in the world.»
www.diplomatic.gouv.fr

Read in French • **Laugh** in French
Write in French • **Cook** in French
Play in French • **Text** in French
Speak French • **Understand** French

«Learning a language helps better apprehend and live in the complexity of the modern world.»
CFSpokane

Our curriculum teaches the most useful aspects of French grammar, vocabulary and culture in the francophone world to enable students to efficiently converse, write and read on a wide variety of topics. We choose technology and material used by French students in school, which provides a logical, clear and dynamic progression to our instruction.
